Franklin B. Tower Esq.

My dear Sir:-

May I

request the favor of a reply
to letters of recent date?

General Pleasant writes me
under date of May 5, that
you purposed writing me,

I am at present holding under
advisement a proposition regarding
a recently offered business connection,
and will in any event leave here
about Wednesday (12th), while I
left Pottsville April 23. I did not
withdraw from the case there,
but continued to advise

young Joyce even after the
1st May, but have now
formally turned him
over to General Pleasant.
When I left Pittsville the
General paid me to Apr 23.
Under the provisions of our
contract I suppose I would
be entitled to remuneration
for the remainder of that
month.

I shall await your answer
before closing with an offer
of employment which I
now have, which answer
I hope may reach me by
Wednesday by Perry Post
N. B. Hammett.
