Philad. Apr. 10th 1803

Dear Sir

I yesterday received your favour of the 5th.
Inc. enclosing Mr Peter Baudouin's draft on Robt Ralston for
One thousand dollars being the sum which I had paid
to your brother Peter on account of the Powder works - Mr.
Ralston not being in Town the draft has not yet been ac-
cepted but no doubt it will be so soon as he returns -
It is not in my power to return you the receipt which
your brother gave me for this money as it was taken in
a book & has others on the back of the leaf - My ack-
nowledgment of the receipt of this draft is however of the
reimbursement of the money by you - I herewith send
you an af. of the monies paid for you to different persons
which you may either remit me or request your brother
to pay as is most agreeable to you -

It is with much regret I assure you Sir that I

I find our connection in the business of the factory put
a stop to by the situation in which you find yourself
but according to our Orders in this country, I could not
put my property in a concern without receiving what
we consider as absolutely necessary Documents — I
trust however that this circumstance will in no manner
interrupt the good understanding which subsists be-
tween us, & hope that you will on all occasions re-

mand me when I can be of service to you, as I
shall always feel much pleasure in being useful
to you in whatever may be in my power — I
remain with much regard very truly your friend
