Wilmington. Del.

dear Sir,

By the arrival of the mail here on the 10th July. we have been placed in possession of your esteemed favor of the 1st May. the contents of which have had our usual attention.

We have now much pleasure in handing you the enclosed memorandum of sales of a portion of your Order for "Joshua Bales"; and trust that in view of the many difficulties we have had to contend with, the same may be considered satisfactory.

English Powder is not much in demand and there are many sellers of Starnis & 8¹/₂ per lbs but at present the demand is very limited.

We note your remarks on the deplorable scene now acting in your country. and from recent accounts. our mind to this unhappy war appears nearer than at our former contemplation; we trust soon to hear that war, at least, has terminated.

We send you our latest P. O. and hoping soon again to have this pleasure, remain
Yours faithfully
John McDonald
