Peter Bauding Esq.

Dear Sir

I have received your favour of  
this date & observe that you have made more of the Can-  
powder than was sufficient to fulfill the order - I  
have accordingly agreed with the Genl<sup>l</sup> to furnish them  
with 48 Q<sup>rs</sup> E<sup>l</sup>s more than the Contract, & that it  
shall be delivered at Fort Mifflin Castle early in the  
next week on Thursday or Wednesday or further -

They wish as much of it as possible to be Can-  
on powder & the remainder to be musquet if you  
have it, if not the nearest to the size of Mus-  
quet you can furnish - It must be marked

S<sup>t</sup> for Stores being for the use of the Regt - You  
will let me have the  $\frac{1}{2}$  of the quantity & heres  
Delivered

delivered as soon as possible that I may settle & get  
the notes I wish this to be done without any delay  
lay for particular reasons which I will give you  
hereafter — The Gent<sup>l</sup> from whom I expecte

ed to get the Copy of Lane L<sup>d</sup>'s contract has  
been taken sick out of Town & it is not known  
when he will return — There is one other person  
whom there is a possibility of getting it whom  
I shall try, & if I do not succeed there  
I will go at once to Mr. Cox & ask for  
it — If I do not succeed we are only  
just where we were —

In great haste & hurry

Arch<sup>d</sup> W. Cabot

I wish to have as soon as possible an abstract of the
