Dear Sir

I have rec<sup>d</sup>: your two favours of the  
24<sup>th</sup> & 29<sup>th</sup> Inst. & should have answered the first before  
but I have been very much engaged - Mr Puck will  
have the Sheep Skins ready the beginning of next week -

I will attend to what you say about the state of the  
note for the powder for the Louisiana - The Genl<sup>l</sup>  
on whose of I write to you for the 12 lbs: Cannon would  
be willing to take 14 barrels of Cannon & the 1 of  
Musquet if it can be ready by the term, & pay 5<sup>th</sup> Nov<sup>r</sup>

It is possible a day or two later may answer but  
they will not engage for longer than the 5<sup>th</sup> - You  
will let me hear from you on this point -

I have had a good deal of search made for the  
empty Casks you want but have not yet been  
able

able to get one - They are constantly engaged by  
People for Cider Casks even before they are empty  
& the price is as high as \$2.50 to \$3 -

We have had no letters from Germani Diet, but  
Barings write us they had paid to them a bill  
of \$500 for an account - They give no satis-  
faction to all the enquiries made of them on the  
subject of the business by our friends - Nothing  
is yet arranged respecting the business from here, so  
soon as it is done I will inform you of it -

I am with regard

Very truly Yours
