Side View of Birkenhead Wheel Mill. *Upper Hagley Built  
in 1812  
J. Macklem*

These mills are the oldest of their kind in the United States. They are part of the old powder yards of the Du Pont Company along the Brandywine Creek near Wilmington, Delaware. This yard was established in 1802. It has been decided to discontinue the making of powder there.

*Eleutherian Mills (upper yard) built in 1802  
J. Macklem*
