

### FIRST CARS NOW IN SERVICE

The City of Philadelphia has  
procured the first modern  
rapid transit cars to be used in  
the Philadelphia and Reading  
District. The cars are being  
delivered to the Philadelphia  
Rapid Transit Company. The  
cars will be used on the  
Reading and Philadelphia lines  
and will operate through the  
Reading and Philadelphia  
Districts. The cars are being  
delivered to the Philadelphia  
Rapid Transit Company.  
The cars are being delivered  
to the Philadelphia Rapid  
Transit Company.

With the new cars, the  
Philadelphia Rapid Transit  
Company will be able to  
provide a more efficient  
service to the public. The  
cars are being delivered to  
the Philadelphia Rapid  
Transit Company. The cars  
are being delivered to the  
Philadelphia Rapid Transit  
Company. The cars are being  
delivered to the Philadelphia  
Rapid Transit Company.
