HANDCRAFTED AMERICAN FURNITURE

2010 HOLIDAY GIFT GUIDE

## THE GIFTS WE CARRY FORWARD

*An important part of every family's journey is collecting memories and treasured heirlooms to be passed on to future generations. As we celebrate this joyous season, we are often surrounded by both.*

*As someone who has precious few physical reminders of my early years, I am particularly aware of how vital a role cherished possessions play in keeping family memories alive.*

*It is this belief that has inspired us for nearly 40 years to create furniture that is so well made, so highly regarded, so well used, that it will indeed be passed on from one generation to the next—imbued with memories of family gatherings, celebrations and joy. We handcraft the furniture, you add your own history, and life's journey is enriched for generations to come.*

*Happy holidays from the Moser family to yours,*

What better gift than giving someone a once-in-a-lifetime opportunity to build their own Thos. Moser furniture alongside one of our exceptional cabinetmakers?

- Tool & equipment use and safety training
- "Lunch & learn" presentations discussing fine woodworking
- A visit with Thomas Moser and a tour of the Thos. Moser Auburn, Maine workshop
- Lodging at the renowned Harraseeket Inn located in Freeport, Maine
- Most meals, including several dinners with the Moser family
